

MEMBERSHIP APPLICATION FORM

The following are some of the benefits that come with membership in the Canadian Archaeological Association:

- receive two annual issues (Online) of the Canadian Journal of Archaeology and special issues as occasionally published
- receive login privileges to the Members' Only Section and access PDF downloads of CAA Occasional Papers No. 1 and No. 2 on the CAA website
- be eligible to chair sessions and present papers or posters at the CAA annual conference (Individual members only)
- be updated on issues relevant to the Canadian archaeological community
- receive travel support for students formally participating (presenting poster or paper, chairing session, or serving as session discussant) in annual conference (student members)
- be eligible for the CAA Weetaluktuk Student Award allocated every year in recognition of a worthy student paper

Reminder: The *Canadian Journal of Archaeology* is **Going Digital!**

At the AGM in the spring of 2021, our membership made the historic decision to transition the journal to a fully digital publication and to retire the print option. Starting with Volume 46, in Spring 2022, all new issues of the *Canadian Journal of Archaeology* will be published electronically only. CAA members will continue to enjoy instant access to current and archived issues through the website's members' area. We're proud to highlight the Canadian Archaeological Association's commitment to sustainability, and look forward to added benefits including full color publication at no additional cost, and keeping membership fees affordable for all.
